Dear Parents & Carers

We are writing to inform you that we will have a HMI Inspector Mrs H Williams at our school all day tomorrow and Wednesday.

Her Majesty's Inspectors inspect schools to provide information to parents, to promote improvements and to hold schools to account for the public money they receive. School inspections are required by law and they provide an independent assessment of the quality and standards of education in schools, and check whether pupils are achieving as much as they can.

Her Majesty's Inspectors, who in most cases are serving school leaders who inspect for Ofsted for an agreed number of days each year, carry out the inspections. All inspectors have been trained to, and assessed against, Ofsted's standards.

You may have the chance to speak to the inspector during the inspection, for example at the start of the school day. Please remember that inspectors cannot deal with complaints concerning individual pupils or settle disputes between you and the school.

If you do not have the opportunity to speak with her and would like any of your views known to OFSTED please leave your comments on the OFSTED webpage [www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk)

Yours faithfully

A handwritten signature in cursive script, appearing to read "A Flack".
