12th November 2018

Dear Parents & Carers

We are pleased to inform you that as of week commencing Monday 26th November 2018, all pupils at Weston St Mary will be participating in a weekly Outdoor Learning lesson as part of our Outdoor Curriculum. These sessions will take place on Friday afternoon and we ask that the children bring a spare set of clothes and shoes to change into to allow them to fully access the sessions. We will be going outside in all but extreme weather conditions and therefore ask that children bring:

Warm trousers
A t-shirt or long sleeved t-shirt
A warm jumper, fleece or hoodie
A waterproof coat
Wellies
A hat, gloves and scarf for colder weather

At Weston St Mary we are committed to promoting the development of positive learning behaviour through Outdoor Learning. We believe that providing our children with regular opportunities to learn outside will help them develop greater resilience, concentration, creativity and self-esteem. This will help to support the children academically, physically and spiritually and we look forward to seeing the benefits of these sessions within the classroom and beyond.

If you would like further information on these sessions please do not hesitate to ask.

Yours faithfully

Mrs R Walker
