**Weston St Mary
CE Primary School**

But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7

24th January 2019

Dear Parents / Carers

As a school in the LAAT family we are starting a project to ensure that all of our pupils receive a breadth of opportunities and experiences to enable them to flourish. You may have seen a similar scheme in the press over Christmas that the government are keen to implement.

We are compiling a list of 30 things that every child should have an opportunity to do before they leave us. These may be very simple things like having a piece of work displayed or playing in a pile of Autumn leaves or could include things that take more organisation such as visiting a museum or watching a live theatre production.

5 out of the 30 things have been chosen by all of the LAAT headteachers and directors and will be the same across the trust. 25 will be chosen by our whole school community; parents, staff, governors and pupils.

It would be fantastic if you could think carefully about what you believe every child in our school should experience whilst they are with us and either email us or bring the suggestions to the office.

You don't have to put down 25 things, if everyone does a few then we will have a bank to choose from.

In September pupils will be able to start 'collecting' their experiences.

Kind regards

A handwritten signature in blue ink, appearing to read "R Walker".
