

Our next big question is -

Why did the Romans create Art?

Next term, we will be learning about the Roman Empire and the different types of art that the Romans produced.

We have not yet completed our work on the Mayans, so we are giving you an extended deadline for this project of **Monday 18th January.**

It is important that the children enjoy quality family time during this festive period therefore we do not expect the children to spend extended amounts of time on their projects. However, the children really do benefit from having some existing knowledge of the topic when we begin our work in school.

Task suggestions

- * Make an information poster about an aspect of daily life in Ancient Rome. *What were their homes like? What clothes did they wear? What food did they eat? What gods did they worship?*
- * Locate Italy on a map and write some facts about its geography
- * Research famous Romans and write about what they are famous for doing. e.g. *Julius Caesar or Nero*
- * Design and make a Roman helmet or shield
- * Create a mosaic
- * Create a comics strip about the Romans

Thank you for your ongoing support.
Merry Christmas to you and your families!
