24th February 2021

Dear Parents/Carers

Following the government announcement on Monday evening, we are really excited to be able to welcome back all children into school on Monday, 8th March 2021.

Guidance for the re-opening has been received and school leaders will be working on this over the coming days. Guidance is very similar to which we worked with prior to the school closure at the beginning of January. Social distancing measures will remain in place as they were prior to this national lockdown and parents will still be required to social distance and wear face masks on the school grounds.

The guidance is very clear in stating that attendance at school is mandatory and it is therefore expected that all pupils will return.

Our meal provider Willoughby Foods, have re-opened their ordering system so please ensure you go online and order school lunches for the 8th March onwards. Orders for week commencing 8th March, must be placed by midnight on Tuesday 2nd March 2021.

We will send out a further update in the coming days but in the meantime please continue with the online learning. We are so pleased with the support from parents and the children themselves who have been outstanding throughout this lockdown.

Yours sincerely

Mrs Z Halden
