**Weston St Mary
CE Primary School**

But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7

14th July 2021

Dear Parents & Carers

I am sure you are aware that in light of restrictions being lifted from 19th July, schools have been issued with a new guidance document.

The school and our academy trust are still working through this guidance in order to determine what this means for us going forwards, particularly from September onwards. At this time, we are not able to provide parents with a full breakdown, as we are still awaiting clarity and further guidance on some of the detail in the document. We will issue this to parents as soon as we are able to.

We are however in a position to inform parents and carers of the plan for the school from 19th July until the end of term. Although restrictions over bubbles etc. are being lifted, the guidance states that if a school's term continues beyond 19th July, they are able to continue with the measures currently in place, until the end of term. We feel that this is the right decision for our school and will continue to maintain class bubbles, staggered start and end times, staggered lunchtimes, wearing face covering to collect children etc. especially given the recent cases within our setting. The local authority has today communicated with schools in Lincolnshire informing us that COVID rates amongst school-age children in Lincolnshire are higher now than at any time in the pandemic so far.

Your continued support in this regard is always appreciated.

Yours sincerely

A handwritten signature in black ink, appearing to read 'A Flack'.
