Dear Parents & Carers

We have been made aware of a further positive case in our school community.

This has been reported to Public Health and as pupils were already in isolation there is no further action required.

Please be advised that pupils should be self-isolating and not leaving their house in line with government guidance.

Whilst pupils are self-isolating government guidance is that they are attending morning registration, live lessons and completing work set on Teams.

Please be reminded that should your child become symptomatic you should take your child for a PCR test and update us on the results as soon as possible as the school has a duty to notify Public Health.

Should you have any queries, please do not hesitate to contact the school office on 01406 370333 or via e-mail at admin.weston@southlincs-hub.co.uk

Yours sincerely

Mrs Z Halden
