But as for you, be strong and do not give up, for your work will be rewarded ~ 2 Chronicles 15:7

3rd September 2021

Dear Parents and Carers

We are delighted to be welcoming you and your children back to Weston St Mary on Monday 6th September.

Please see below details of how the school day will run:

As of Monday, an adult will be outside from **8.40am** and, on arrival, children will line up with their class and be escorted into school by their class teacher.

Children will come into school as follows:

Maple Class: via the playground gate

Willow Class: via the field gate

Birch Class: via the main entrance

Please ensure your child is on time and ready to enter the building with the rest of their class.

At **3.15pm**, children will be released by their class teachers from the same door or gate as the one they entered in the morning.

Whilst restrictions have been lifted across the country, we will still be keeping many of our systems in place.

These include:

Provision of hand sanitiser throughout the building

Staggered lunch times

EYFS/KS1 pupils playing separately from KS2 at break time and lunch time

Regular washing/sanitising of hands

Additional cleaning

Collective worships in class or via Zoom

Please note, there have been changes to the rules on self-isolation. Children should self-isolate straight away and get a PCR test as soon as possible if they have any of these three symptoms of COVID-19:

A high temperature

A new, continuous cough

A loss or change to your sense of smell or taste

I can do all things through him who strengthens me ~ Philipians 4:13

If someone in your household has symptoms of COVID-19, or has tested positive for COVID-19, children should still come to school unless they too are displaying symptoms or have tested positive.

Thank you in advance for your cooperation and support with these changes. We look forward to working with you over the coming year to ensure that your children are happy, safe and successful at school.

Yours sincerely
