Primary PE and Sport Premium Funding 2024/25

Weston St Mary C of E Primary School

Funding received: £16,390

Background:

The Government have provided funding of £150 million for Physical Education (PE) and sport to schools. This funding should be used to improve the quality and breadth of PE and Sport provision. The funding is for the period 1 September 2022 – 31 August 2023. This funding is ring fenced to be used for sport specific areas to make a sustainable impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

The revised vision for the Primary PE and Sport Premium is:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is expected that schools will see an improvement against the following 5 key indicators:

1. *The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles*
2. *The profile of PE and sport being raised across the school as a tool for whole school improvement*
3. *Increased confidence, knowledge and skills of all staff in teaching PE and sport*
4. *Broader experience of a range of sports and activities offered to all pupils*
5. *Increased participation in competitive sport*

Key achievements to date:	Areas for further improvement and baseline evidence of need:
• Lesson observations have shown that teachers were confident in teaching a range of sports – strong impact of sports coach. • Progress and achievement reports showed good understanding of children's attainment in PE. • Children took part in a range of inter-school competitions. • Increased activity within the school week achieved. • Great improvements in swimming skills and water confidence can be seen in KS1 pupils. • 83% of Year 6 pupils could swim 25m by the end of the school year. • 100% of Year 6 pupils could use a range of strokes by the end of the year. • 100% of Year 6 pupils could perform safe self-rescue in different water-based situations.	• To further develop the competitive opportunities on offer to all children. • To continue to use 'expert' coaches to upskill new teaching staff. • To broaden the range of sporting activities on offer to pupils. • To broaden extra-curricular sporting opportunities.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?	Yes/No
